About *The Way To Bea*: Everything in Bea's world has changed. She's starting seventh grade newly friendless and facing big changes at home, where she is about to go from only child to big sister. Feeling alone and adrift, and like her words don't deserve to be seen, Bea takes solace in writing haiku in invisible ink and hiding them in a secret spot. But then something incredible happens--someone writes back. And Bea begins to connect with new friends, including a classmate obsessed with a nearby labyrinth and determined to get inside. As she decides where her next path will lead, she just might discover that her words--and herself--have found a new way to belong.

About *The Adventurer's Guide to Dragons (And Why They Keep Biting Me)*: Anne, Penelope, and Hiro are nominated for Best Illegal Quest That Nearly Destroyed the Entire World at the annual Quest Academy Awards, but they barely get to enjoy it before a strange boy tricks Anne into activating a new quest. Her charge: kill the dragon queen. The problem is, Anne doesn't *want* to kill any dragons. But the mysterious boy does, even if it means igniting a devastating war between people and dragons. The only chance Anne and the others have to stop it is to get to the queen first. Along the way, they'll have to navigate ancient mines, avoid erupting volcanoes, outsmart robots, and survive the dragon trials. And, of course, get a passing grade on their quest. Packed with action, humor, and endless heart, this is a truly irresistible middle grade fantasy tale.
